			100				

EVO class required to be completed by all students before the end of the class.

Cost \$340.00 plus \$85.00 for books

TO: Turnout Gear Required (Everything but SCBA)

FTO: Turnout Gear and SCBA

- Practical Days.....these days you will be REQUIRED to complete certain tasks, such as climbing a ladder, advancing hose lines, and wearing SCBA's in limited visibility conditions. These activities are not on the schedule as time fillers....to pass this class, you will complete these activities.
- Quizzes will cover material from the previously assigned chapters. A good rule of thumb is if it is in the assigned chapter, it is fair game for the quiz. You will need to read!!!!
- Quizzes will be graded and returned the following class. To remain in the class and take the final exam, you MUST maintain a 70% average. If you do not, you will be removed from the class. Over the past several years, our students usually score equal to or higher on the state test as they do on our class quizzes.
